

We can custom design any candy / dessert station however we do have some custom packages for you to choose from

Please note each package can be custom design for a certain number of guests but we work with a minimum of 30 people per candy station

We also can provide tables should your venue not provide and Setup and Delivery is based on distance from our shop

All Packages can have any extra items added to them please see our extras list

As most of our products are handmade, we can also custom brand our Handmade Lollipops, Cake Pops and Cupcakes with Edible Company Logos

We also make edible arrangements which can be added to your table as we as Chocolate Fountains
